Wednesday 10th March

Dear Parents/Carers,

Uniform Swap

It is so good to have our school full of children again.

We know that many parents will have been surprised at how much their children have grown over lockdown and are now finding that their school uniform no longer fits them.

We understand that these have been financially difficult times for many and that it can also be more difficult to buy new uniform whilst many shops remain closed.

With this in mind, we are holding a uniform swap in school. This has been arranged to comply with COVID restrictions.

We are asking you to send all your outgrown and unwanted uniform that is in good condition into school by 23rd March.

As we are unable to have parents in school to choose what they need from the donations we will be issuing vouchers for parents to make requests. For every item you send in you will receive a voucher which you can use to request an item which your child is in need of.

The vouchers will give you priority for uniform which has been donated. Any remaining uniform after this will be offered to rest of the school community. Please remember that we will only be able to fulfil your request if we have appropriate donations available. We may not have the items you need but will do our best to help.

Dates:

Donations sent into school by 23rd March.

Voucher requests returned to school by 26th March.
