

Themes for Worship 2021-22

We are continuing with the Values For Life themes and the British Values of Democracy, Liberty, Rule of Law, Mutual Respect and Tolerance. This year, many of the British Values have been pushed back to the Summer term to coincide with the Jubilee celebrations and VE Day. The Autumn focus will be on a 'relaunch' of The Values, Our Vision, and The Big Story as we return to larger group collective worship.

Worship evaluations will be completed in class worship evaluation books.

Special dates in the Church calendar have been included so that we can include assemblies about these events at the appropriate time. We may also include assemblies about events in the news or things happening in school as well as festivals from other religions.

Values highlighted in yellow are those that link to the Dimensions topics being studied at that time.
