

Transition for year 6 children going to St. Cuthbert's in September:

- St. Cuthbert's are making a webpage which will be full of useful resources to prepare your child for their transition to high school. This will include advice from current students, videos from the teachers and an assembly where FAQ are answered. When this is complete, you will be informed.
- The Senior Leadership Team at St Cuthbert's are phoning families over the next couple of weeks.
- For the children who are currently attending school at Sutton Oak, staff from St. Cuthbert's will be coming to Sutton Oak to speak to the children. Dates are to be confirmed.
- There will be no Summer School this year but there will be a welcome event towards the end of the summer or before the children start in September which will be like a Transition Day for the children.
- Uniform is available from Whittakers Schoolwear in St.Helens town centre. They are only open for appointments at the moment so please contact them to arrange a time. The children need a red stripe in their tie.
- It has been decided that for the first few weeks all the children who are starting at St. Cuthbert's from Sutton Oak will be in the same form group together so that the children feel more confident.
