

KS2 Home Learning

Welcome to our Key Stage 2 Home Learning page.

We know that, due to the current COvid-19 restrictions, there will be times over the coming weeks and months where your child may not be able to attend school for a number of reasons. To ensure that there is as little disruption as possible to your child's learning you will be able to keep up to date with what is happening in class by checking this page from day to day.

Each week class teachers will post a blog on Purple Mash which will explain and give links to tasks. Work should be completed online or in their exercise books which have been provided. Children have been introduced to Purple Mash and 2Blog in lessons in school.

There are still a number of educational websites your child may benefit from during their absence to consolidate basic facts. Please use the links below to access as you feel appropriate.

TT Rockstars Daily practise of times table facts which can be accessed on a laptop or tablet/phone

Daily 10 Quick fire basic arithmetic. Choose the level that matches your year group.

Hit the button Great way to practise recall of basic maths facts.

Oxford owl Browse the free e-book library to find a home reading book which can be accessed on a laptop or tablet/phone

www.nrich.maths.org/primary a range of maths problems and investigations

www.literacysshed.com Short film clips to watch and write about

www.natgeokids.co.uk

<https://spellingframe.co.uk> Select year group, play games and practise spellings.

For fun:
