REMINDER

Dear parents and carers,

In light of the further lockdown which started yesterday, we would like to remind you of the arrangements we have in place to ensure the safety of the school community.

School remains open as usual but please be aware of the new rules involving household bubbles

Can we please ask you to support us by adhering to the following:

- Only come to school at your allocated drop off and collection time and use your allocated entrance. Please follow the one-way system in place.
- Leave as soon as your child is safely in school or you have collected them to **avoid any unnecessary gatherings at the school gate.**
- Only 1 adult per household to accompany children to school.
- We ask parents or carers to wear face coverings at the beginning and end of the school day when dropping off/collecting your child.
- We are still operating a two metre distance rule between adults in school. Please ensure this is adhered to if you speak to other parents or staff. Please don't be offended if we 'step back' or have to remind anyone.
- You must not meet socially indoors with family or friends unless they are part of your household or support bubble.
- You should minimise time spent outside your home

Remember we want to keep our school open BUT we need your help to ensure all members of our school community remain COVID free. Please help us with the above.

Many thanks

Mr Williams
