Languages

Teaching a language provides excitement, enjoyment and challenge, helping to create enthusiastic learners and develop positive attitudes to language learning throughout life.

Language learning
foster's pupil's
curiosity and
deepens their
understanding of
the world.

The skills, knowledge and understanding gained from language learning make a major contribution to the development of children's oracy and literacy.

The natural links between languages and other areas of the curriculum can enhance the overall teaching and learning experience.
