Pupil Premium Expenditure

Pupil Premium Report to Parents

Overview

The Pupil Premium is funding provided to schools which is additional to main school funding. It is allocated according to the number of pupils on-roll who are eligible for free school meals (FSM), a smaller amount allocated according to the number of children of service families, and an allocation for each pupil who has been 'Looked After' (in care) or on a Special Guardianship Order. It is for schools to decide how the Pupil Premium is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility. However, schools must be accountable for how they have used the additional funding to support pupils from low-income families. This information must be published on the school website.

Objectives for Pupil Premium in this School:

1. The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils.
2. The funding will be used to narrow and close the gap between the achievement of these pupils and their peers.
3. As far as its powers allow, the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.
4. We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.
5. Allocation of Pupil Premium funding will reflect our core Christian values.

School Policy

The Headteacher and governing body have agreed a policy for Pupil Premium to guide the use of funds and to ensure that it represents value for money.

Accountability

The Headteacher and Senior Leadership Team will regularly and rigorously monitor, evaluate and review the strategies we have put into place for Pupil Premium and report to the governing body on its progress and impact.

Statistics

- In 2023/24 our school had 49% of pupils who were entitled to benefit from the additional funding.
- In 2023/24 the school received a total of £193,400 in Pupil Premium funding.

Strategy for using the funds

The school looked carefully at the needs of each pupil and decided to use the following intervention strategies in 2023/24

Summary of evidence from the evaluation of the impact of the Funding:

Year 1 Phonics Screening Check

Our Year One Pupil Premium children performed better than ever before in the end of year Phonics Screening Check. 76% achieved the required standard compared to the Local Authority average of 67%.

End of Key Stage Two:

- There were 14 pupils entitled to Pupil Premium funding in this cohort.
- Table 1 below shows the percentage of 'Disadvantaged' children achieving the 'Expected' standard or above in Reading, Writing and Maths compared to the Local Authority average
- Results for our 'Disadvantaged' pupils dipped in Reading and Writing this academic year and there will be a renewed focus on improving outcomes in 2025.

Table 1

| | School | Local Authority |
|--|--------|-----------------|
| % of Pupil Premium Pupils achieving the 'Expected' standard in Reading | 44% | 61% |
| % of Pupil Premium Pupils achieving the 'Expected' standard in Writing | 57% | 59% |
| % of Pupil Premium Pupils achieving the 'Expected' standard in Maths | 71% | 56% |

Summary:

The evidence gathered through the school's self-evaluation strategy has shown that in recent years intervention strategies have been successful and that they have had a positive impact on the progress, standards and achievement of those pupils entitled to the additional funds.
